

JOSH JAMES BIO

A dedicated professional with over 17 years of domestic and international experience in the music and entertainment industries. Hailing from Melbourne and currently based in Brisbane, specialising in music curation, event production, and audio production. I intend to leverage my extensive knowledge and skills to deliver high-quality results. I possess strong communication, organisational, and problem-solving abilities, making me a powerhouse for unforgettable immersive musical atmospheres.

I offer a hands on solution to transform venues into hubs for unforgettable musical experiences. With 15 years as a DJ, 5 years as a Music Director and 8 years in audio-visual production, I've crafted dynamic soundscapes for bars, clubs, and festivals worldwide—and I'd love to bring this expertise to your team.
